05 April, 2024

The Honourable Chief Judge

High Court Of Lagos State Oba Akinjobi Way, G.R.A. Ikeja, Lagos

Dear Sir/Ma,

INVITATION TO THE 32ND COREN ENGINEERING ASSEMBLY: 5TH - 7TH AUGUST, 2024.

I am pleased to inform you that the 32nd COREN Engineering Assembly has been scheduled for 5th - 7th August, 2024 at the International Conference Centre, ICC, Abuja, FCT at 10.00 a. m. daily. You are hereby invited to sponsor the underlisted Engineering Practitioners in your establishment.

1. Engr. Sule O. Waheed (R58742)
2. Engr. Shittu A. Lateef (R65837)
3. Engr. Omiwole E. Adetola (R49367)
4. Engr. Agboola O. Isaac (R1905ET)

COREN Engineering Assembly is an annual event designed to bring together all Engineering Practitioners and Stakeholders in the Public and Private Sectors to rub minds on issues of national development.

The theme of this year's Assembly is "Regulating Engineering Profession for Shared Prosperity in Nigeria". Various sub-themes have been carefully selected to effectively address the theme, for it is our conviction that robust Regulation of engineering practice in Nigeria is a prerequisite and catalyst for sustainable national infrastructure development. It is believed that this assembly will promote collective ownership of responsibilities and better opportunities for the economic development of our country

Attendance is mandatory for all Engineers, Engineering Technologists, Engineering Technicians, Engineering Craftsmen, Engineering Consultants and Engineering Contractors. COREN statute provides that Engineering Practitioners and Engineering Firms must attend Engineering Conferences such as COREN Assembly to satisfy the minimum requirement for Continuing Professional Development (CPD) in order to remain on the Register. In addition to your attendance, I humbly request for your kind approval to release and sponsor all the Engineering Practitioners, Consultants and Contractors in your Organization to the 32nd Engineering Assembly.

The Council appreciates your continued support to the Engineering Profession as demonstrated by the sponsorship of your Engineering Practitioners to previous Engineering Assemblies.

Early Bird Registration for Engineers /Engineering Technologists (on or before 30th June, 2024) is N120, 000.00 and late Registration from 1st July, 2024 is N150,000. N60, 000.00 flat for Engineering Technicians & Engineering Craftsmen and N75, 000 for non-Engineers (on or before 30th June, 2024) and late registration from 1st July, 2024 is N100,000.00. All registration will be strictly online.

The Engineering Assembly has been planned to provide a veritable contact point between practitioners, industry and the general public. To this end, Council has provided an opportunity for the exhibition of products and services during the Assembly. You may therefore indicate if your organization wishes to showcase its product and services in a conducive exhibition booth at the venue.

While I look forward to your positive response, kindly accept the usual assurances of my highest esteem.

Engr. Prof. Adisa, A. Bello FNSE, FAEng,
Registrar of COREN.
